KOCHI-22  
Dated: 25.03.2021

**CIRCULAR**

Sub:- CUSAT - NPS CELL - State Life Insurance policies of employees of the this university - copies of policy certificates called for - reg.

Ref :- University Circular No.CUSAT/NPS.N2/2910/2019 dated 10.12.2019

A circular was issued vide reference above, directing all the employees of this university to forward the details of their SLI and GIS policies so as to compare the details received with the details available in CUSAT website and in Payroll A section. The policy details received from the employees have been compared with the details on the CUSAT website and the details in the Payroll A section and many errors have been found and all of them were rectified. In addition, a number of employees have reported discrepancies in their policy details that have been corrected as well.

In SLI policies, salary deduction is required only up to the maturity date mentioned in their policy certificate. However in many cases salary deduction were made against SLI policies of employees even after its maturity date. Hence, decision has been made to add the maturity date of all SLI policies to UNISPARK against the salary details of the employees, to avoid the above mistakes in future. So far a total of 691 copies of SLI policies have been received in this section and the maturity dates of these policies have been forwarded to Payroll A Section to update in the database. Copies of over a thousand SLI policy certificates have not yet been received from the employees and hence was not able to update their policy details. **Therefore, those employees listed in the attached table, are requested to forward a copy of the SLI policy certificate to NPS CELL on or before 15th April 2021.** All section officers, department heads and controlling officers are requested to take special attention in this regard.

Henceforth all employees are requested to verify the salary slip and CUSAT Website (cusat.ac.in>Intranet>Finance Wing>policies>SLI/GIS) every month to ensure that their monthly SLI and GIS premium deductions are correct.
